

We have chosen to participate in the Chesapeake Regional Information System for our Patients, Inc. (CRISP), a regional health information exchange serving Maryland and D.C. As permitted by law, your health information will be shared with this exchange in order to provide faster access, better coordination of care and assist providers and public health officials in making more informed decisions. You may "opt-out" and disable all access to your health information available through CRISP by calling 1-877-952-7477 or completing and submitting an Opt-Out form to CRISP by mail, fax or through their website at www.crisphealth.org. Public Health reporting and Controlled Dangerous Substances information. As part of the Maryland Prescription Drug Monitoring Program (PDMP), will still be available to providers.
